The Executive Superintendent or his/her designee shall prepare a budget calendar identifying all deadlines for the annual budgetary process. The calendar shall include at least one work session for reviewing the budget and at least one public hearing on the budget. Notice of the time and place for the public hearing must be published at least ten days in advance, in a newspaper having general circulation within the school division.

Upon approval of the school division's budget by the appropriating body, the school division shall publish the approved budget, including the estimated required local match, on its website.
