

# Foundations For Learning

**Be Safe:** We will practice safety at all times and refrain from behavior that can be harmful to ourselves and others.

**Be Prepared:** We will come to school prepared to learn by adhering to the dress code, following our teacher's instructions, and abiding by the school rules.

**Be Respectful:** WE will treat others as we want to be treated and respect the boundaries, personal space, and items of others. We will also refrain from using any language or gestures that can be deemed to be offensive or degrading to others.

**Be Responsible:** We will be responsible for our actions and expect to be held accountable for our behavior. By owning our behavior, we will learn from our mistakes and make more positive choices in the future.
