

4th Quarter 2009-2010 Awards Ceremony

On Monday, June 7th, our final Awards Ceremony of the year was held. In addition to the usual quarterly awards, some students received special recognition for their outstanding performance all year. Seven students with perfect attendance were given engraved plaques and gift cards. Those students chosen by their instructors as program Students of the Year were given engraved plaques. The top award of the year – the Northern Neck Technical Center Student of the Year – was given to Carpentry II students Ben France from Rappahannock High School. In addition to a large plaque, Ben was also given a laptop computer to help him in his future endeavors. His name was also added to a Student of the Year plate for permanent display in the school's main hallway. Congrats to all of these students!!

Colonial Beach

Arnold, David – Perfect Attendance, Electricity II (won drawing for NNTC apparel)
